

2018 Summer Arts and Leadership Camp

Thanks for a great 1st week of camp! It's been a blast getting to know the campers and watching new friendships form. The weather has been a little all over the place and so have we. Highlights from this week include group games, journal and flip book making, a visit to Missoula's "M" at the top of Mount Sentinel, and an afternoon at Splash Montana. Thanks for sending your camper with everything they need each day, most of all a great attitude!

Things to look forward to next week:

- Mountain Line Scavenger Hunt**
- Fencing w/Missoula Fencing Association**
- Nutrition Lessons w/MSU Nutrition Outreach Program**
- Warmer Weather!**
