

2018 Summer Arts and Leadership Camp

After a fantastic 3rd week of camp, we're halfway through our summer. Time has really flown by! We have really enjoyed getting to know your campers. Thanks for making sure they're here every day with everything they need, most of all a positive attitude. Highlights from this week include a hike to Missoula's "L", celebrating Ukraine with our international staff member Magnum, a very wet afternoon at Splash Montana, group games on Thursday morning and another amazing nutrition lesson with Bonnie and Julia from MSU's Nutrition Outreach Program.

Things to look forward to next week:

- Overnight Camping Trip at Lolo Creek Campground Monday Evening**
- Movies and Pizza all day Tuesday**
- Lessons w/MSU Nutrition Outreach Program on Wednesday Afternoon**
- A visit to Splash Montana on Thursday, July 12th**
